To keep you in the loop

A Warm Hello from WCC Youth Leaders

Summer months means we have NEW FRIENDS joining us!
As you may already have a little taste of what Youth is like on Friday nights, be sure to start working on the habit of keeping Friday nights open for WCC Youth!

June Recap

As soon as we approached the month of June you can sense the excitement from the youth. All of them can't wait to be done school. We played water games in sun and rain, learned how to change tires, and wrap up with a BBQ accompanied with a dunk tank!

Plans for Fall

God is certainly moving here at Westside. At WCC Youth, we are obedient to His call and we are working towards following His plans for the youth. We will be starting the Fall kick off with a string of Big events! (see event calendar next page)

During 2025/2026, we challenge our youth more in participation through active prayer, serve and outreach to the community and invite friends to Friday night youth. Once a month we will be hosting a Youth Dinner aka The Church Basement Bistro, the goal is to encourage the youth to build stronger community within the church but also give them opportunities to invite friends to join them in fellowship.
