To keep you in the loop

October was pastor appreciation month, so for the first Friday night in November, the junior youth wrapped up Pastor Patrick's office. His books and chairs are not the only thing that were graced with wrapping paper, within all the wrapped items, there are some unexpected gifts that are given to him as a token of appreciation of being the pastor of Westside Community Church. We are so incredibly blessed to have a senior pastor who is not out of reach for the youth but often cares and reaches out to them.

AFTER

As we approach the end of the year, the wonderful Bistro volunteers have planned a special Christmas dinner for December 5th! Please encourage your youth to bring a friend to attend the Church Basement Bistro at 5:45pm! What's on the menu? Rotisserie chicken, mash potatoes, garlic bread, Caesar salad, cranberry jelly, and ice cream!

The best gift ever!

The White Elephant Gift

Remember to bring a gift worth \$12.25 (taxes included) for the Christmas gift exchange on December 19th!

Change in Serving Event

Due to some recent changes at the Lethbridge Food bank, our planned serving event is unable to proceed. Thus the event is changed to visiting the residence at BlackRock Terrace. Please drop off your youth at BlackRock at 7pm, and pick up at the Tim Horton on Scenic Dr. at 9pm.
